Date: 2nd June, 2020

NOTICE

This is notified for general information that T.U. has arranged Infrared Thermal Scanner at the two entry gates for checking the body temperature of all entering the campus.

All are requested to cooperate with the engaged security persons for their personal safety and for the University as a whole.

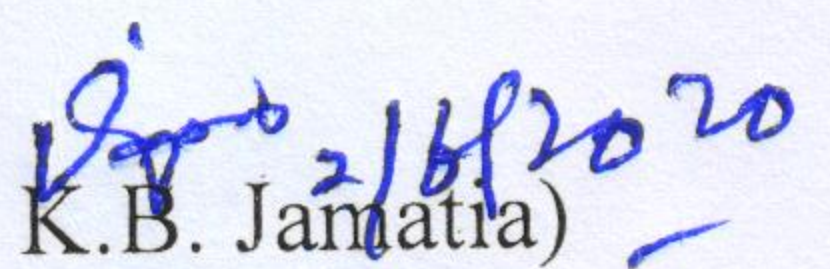

As per the manual of the handset, if the colour code is green, they will be allowed to enter the campus.

However, if the colour code is found orange, they will be suggested for recheck after ten minutes rest. On second observation, if the colour code still remains orange, they will be referred to the Health Centre, T.U. accompanied by a security guard maintaining social distancing.

If the colour code is found red, they will be suggested for recheck after ten minutes rest. On second observation, if the colour code becomes orange, they will be referred to the Health Center as mentioned above. However, if the colour code still remains red on repeat observation, they will not be allowed inside the campus for that day.

All entrants are expected to have 'Aarogya Setu' App downloaded in their mobile phones. They are also requested to make their arrangement for sanitizer and mask which are essential as per government guidelines.

This is issued with the approval of the competent authority of the University.
