Interview for Research Staff Selection under SEED Project

An interview will be held on 14th November 2024 at Tripura University, for appointment of one Project Assistant (atleast B.Sc. in Biotechnology/Microbiology or any other relevant field of Life Science with experience of handling microbes/field trial studies; fellowship INR Rs. 20,000/- + 9% HRA per month) on a temporary basis for 2 years or as and when the project ends (whichever is earlier), in a S&T for Women Scheme (SEED) by Department of Science and Technology, GoI sponsored project entitled “Empowering Tripura’s rural women through sustainable & efficient lemongrass harvesting and low carbon oil extraction” under Prof. Shaon Ray Chaudhuri, Department of Microbiology, Tripura University.

The applicant must submit the following through email (shaonraychaudhuri@tripurauniv.ac.in) before 5PM on 10th November 2024:

- i. Complete Bio-data (containing valid phone number, postal address and Email Id) with self-attested copies of testimonials, certificates and mark sheets from class 10 onwards, publications) in a single pdf file,
- ii. Cover letter addressed to the Registrar, Tripura University stating the reason for applying for this project citing the experience in relevant field (if any).

The shortlisted candidates will be informed by 12th November 2024. The shortlisted candidate can appear for the interview offline as well as online (any one option to be informed during application). Shortlisted candidates will be informed about the venue through email before interview. However, the organizer will not be responsible for any glitch in internet connectivity during the interview. No TA/DA shall be paid for this purpose. Joining on the fellowship will be subject to verification of the original certificates.
