Agenda 3: Misc. with the approval of Chairman.

Resolution 3: It has been decided that since the syllabus for the M Sc Forestry and Biodiversity was framed during 2015 and has been in use from then which is more than 3 years, so a revised syllabus needs to be drafted and implemented following the guidelines of ICFRE and ICAR. All the faculty members may be involved to frame the syllabus for which a workshop may be conducted to finalise the syllabus.
