Grievance Description :

We the students of 2nd sem (B. Sc) Of a Govt Degree college of Tripura under Tripura University would like to tell you that, we r facing serious issues regarding the university paper evaluation the marks they have given in our 1st sem exam 2016.Sir,the students of all over Tripura got betrayed by Tripura university, we do much of hard work just to make our life as well as our country developed, but such kind of injustice to us make our life hell ☹,the university has given our results many times in the last week, but without any use every time just after few hours of publishing the result they close the link of result in their website, bez they r also confused about the result and till now they didn't corrected their mistake and kept the Wrong SGPA in our Marksheet.Not only university result ,it is very bitter truth that the education system of Tripura fully undergoes in politics.it will be kind enough if u plz pay a look on this matter ans save our life and future. You are our last hope. Yours faithfully 2nd semester (B. Sc) students. Tripura.

With reference to the above this is to state that after introduction of Semester System of Examination at TDP / TDPH level this was the first occasion when the results of nearly 50,000 (fifty thousand) students of 1st, 3rd and 5th Semester Examination – 2016 were published at one go and some technical faults occurred which was never experienced earlier.

However, the University authority took immediate steps to relook in to the whole process. The concerned software agency was called to the University and with their technical support and the cooperation of the college Principals the problems could be addressed and the revised results of 1st, 3rd and 5th Semester Examination – 2016 were published on 30.03.2017 and the earlier results were declared null & void.

It may please be noted that a notification has already been uploaded in the University website whereby students, who are not satisfied with their results, can self-inspect their answer scripts and University is duly bound to address all sorts of grievances, if any, arising due to wrong posting, wrong totalling, omission in marking etc. found in the process of self inspection.

College/University/Institute Name : Tripura University-Tripura

Nature of Grievance : **Unfair evaluation practices**

Grievance Description : Dear sir,

We are the students of Maharaja Bir Bikram College, Agartala under Tripura University (a central university). Our results of 1st, 3rd and 5th semester of B.A., B.Sc. and B.Com. which was conducted in December 2016 was published on 20th March 2017 officially. But, first it was notified in the website that the result would be published on 17th March 2017, then on 20th March it was published without any notification. **There are various problems in the results which is described below:**

1. A student of PHYSICS major has seen on 20th march in the university website (www.tripurauniv.in) that he failed in 5th semester exam as he got back in Chemistry, Mathematics, Foundation (Public Administration) except Physics (major). The non the next day that is 21st March he saw in the same website that the back subject are cleared but he got back in Physics (major). How can the result be changed within a day? This problem is not only for him but also for many major students of different branches of different colleges under TripuraUniversity.

2. Another student has seen in the website that his result is 'Inc'. When he contacted with the university they said that 'Inc'

published? This is not only for one student, but many thousand students are facing this problem over the years from when the semester system was introduced.

- 3. A student who has got back in a certain subject, has gone for inspection where he has seen that his few answers were unchecked. In inspection system a student can see his/her answer sheet, but can't complain if an answer is not awarded with any marks or an answer is unchecked. So he couldn't do anything about this situation and rather had to give the same paper after one year again. Like him many students have faced this situation.

We, therefore, hope that you would be kind enough to consider these problems for the sake of thousands of students under Tripura University and take necessary steps for this serious issue.

Sir, please keep the information of the students confidential.

Yours faithfully

Grievance Description :

My name is Pinku Deb and I am a final year student of Tripura institute of technology,Tripura. My 7th semester exams were scheduled to commence from 20th December 2016.but due to some alteration between our principal Mr. AK Das chaudhuri and Tripura central university our exams are postponed suddenly without giving any prior notice to the students.the issue is harming the final year students most as we will be having GATE exam on 1st week of February. As per speculation the exams are extended till 7th January to 20 th January. If that happens we will be left with barely 2 weeks time to prepare for Gate exam which will make cracking gate an impossible task.sir/madam please intervene in this matter as quickly as possible because the college authority including principal Mr.A.K Das chaudhuri has turned a deaf ear to the students cause.the administrative russle is harming students mostly as they are at the receiving end of such injustice.the semester paper of most of the varstites in the country is mostly concluded to give students appropriate time for preparation contrasting to our university. The cancellation of exams will be in appropriate as well un ethical therefore its my humble request to intervene in the matter and prevent this cancelation of exams especially for final year students. Pinku Deb 8118958404

the above mentioned referred examinations have been rescheduled after being postponed and the said examinations are now being conducted as per the new routine.

Grievance Description :

COE
27/3/17

Dear Sir, We are the students of Maharaja Bir Bikram College, Agartala, under Tripura University (a central university). Our result of 1st, 3rd and 5th semester which was conducted in December 2016 was published on 20th March 2017 officially. But, first it was notified in the website that the result would be published on 17th March 2017, and then on 20th March it was published without any notification. There are various problems in the results which are described below: 1. A student of PHYSICS major has seen on 20th march in the university website (www.tripurauniv.in) that he failed in 5th semester exam as he got back in Chemistry, Mathematics, Foundation (Public Administration) except Physics (major). Then on the next day that is 21st March he saw in the same website that the back subject are cleared but he got back in Physics (major). How can the result be changed within a day? This problem is not only for him but also for many major subject students of different branches of different colleges under Tripura University. 2. Another student has seen in the website that his result is 'Inc'. When he contacted with the university they said that 'Inc' means Information not complete, which means there was some technical problems regarding his marks of internal exam. If there is a problem regarding marks then how can the result are published? This is not only for one student, but many thousand students are facing this problem over the years from when the semester system was introduced. 3. A student who has got back in a certain subject has gone for inspection where he has seen that his few answers were unchecked. In inspection system a student can see his/her answer sheet, but can't complain if an answer is not awarded with any marks or an answer is unchecked. So he couldn't do anything about this situation and rather had to give the same paper after one year again. Like him many students have faced this situation. This system of inspection do not have any benefit of the students. We, therefore, hope that you would be kind enough to consider these problems for the sake of thousands of students under Tripura University and take necessary steps for this serious issue. Sir, please keep the information of the students confidential. Yours faithfully on behalf of all the students of Maharaja Bir Bikram College, Agartala, Tripura. Copy to: 1. PMO, New Delhi. 2. Chairman of UGC, New Delhi.

Ref: Registration Number: DSEHE/E/2017/02533 dated 28.03.2017

With reference to the above this is to state that after introduction of Semester System of Examination at TDP / TDPH level this was the first occasion when the results of nearly 50,000 (fifty thousand) students of 1st, 3rd and 5th Semester Examination – 2016 were published at one go and some technical faults occurred which was never experienced earlier.

However, the University authority took immediate steps to relook in to the whole process. The concerned software agency was called to the University and with their technical support and the cooperation of the college Principals the problems could be addressed and the revised results of 1st, 3rd and 5th Semester Examination – 2016 were published on 30.03.2017 and the earlier results were declared null & void.

It may please be noted that a notification has already been uploaded in the University website whereby students, who are not satisfied with their results, can self-inspect their answer scripts and University is duly bound to address all sorts of grievances, if any, arising due to wrong posting, wrong totalling, omission in marking etc. found in the process of self inspection.

Ref: Grievance Registration No.: DSEHE/E/2017/02533
by Mr. Partha Rudra Pal

With reference to the above cited Grievance Report sent on 19.04.2017 to this office for observation, it is to be stated that Tripura University did publish the results of 1st, 3rd and 5th Semesters Examination – 2016 on 20.03.2017. In the said result due to technical incompatibility in the software, some unresolved technical issues were there at the time of publication of the results.

And realizing the same, the University authority took immediate remedial steps to relook in to the technical process of the result publication. Thereafter, by inviting technical experts the software was revamped and the results with INC (incomplete) status results were also relooked in consultation with the respective Colleges. Accordingly the reprocessed results of 1st, 3rd and 5th Semesters Examination – 2016 were published on 30.03.2017. The earlier results published on 20.03.2017 was notified to be treated as null & void.

It may also be kindly noted that, it is for the first time that Tripura University had to publish result for 1st, 3rd and 5th Semester simultaneously on the aftermath of introduction of semester system.

Individual students can also inspect their answer scripts as per the university rules if they are not satisfied with their results after receipt of their original marksheet. For Inspection a notification has already been uploaded in the University website.

Moreover, the document which was forwarded to the Controller of Examinations does not point out any specific case supported by credible particulars on the basis of which this office can furnish any specific explanation. Moreover, the unsigned document is from general public dealing with some kind of general references that fail to help any cause vide cross checking of the claims and grievances albeit sincere effort at this end. Hence, this office needs definite cases to work on and give any focused denial or confirmation of the grievance.

Submitted for kind information.

Sir,

I am to inform you that Tripura University has published the results of 1st, 3rd and 5th Semesters Examination - 2016 on 20.03.2017. In the said result due to technical incompatibility in the software, some technical issues were there at the time of publication of the results.

Therefore, the University authority took immediate steps to relook in to the technical process of the result publication. Thereafter, by inviting technical experts the software was revamped and the INC results were also relooked in consultation with the respective Colleges, accordingly the reprocessed results of 1st, 3rd and 5th Semesters Examination - 2016 were published on 30.03.2017. The earlier result published on 20.03.2017 was notified to be treated as null & void.

It may also be kindly noted that, it is the first time that Tripura University had published result of 1st, 3rd and 5th Semester at a time, after introduction of semester system.

Individual students can also inspect their answer scripts as per the university rules if they are not satisfied with their results after receipt of their original marksheet. For Inspection a notification has already been uploaded in the University website.

Moreover, the document which was forwarded to the Controller of Examinations does not point out any specific case supported by credible particulars on the basis of which this office can furnish any specific explanation. Moreover, the unsigned document is from general public dealing with some kind of general references that fail to help any cause vide cross checking of the claims and grievances albeit sincere effort at this end.
