Sir/Madam,

With respect to your mail dated July 27th, I would like to get few clarifications regarding the following:

1. Is the Course Enrolment Certificate for the M.Tech student mentioned in the application? If yes then will it be ok if I mail it or will have to post it?
2. The appropriate breakup of the fund is already provided. A copy of it attached again with this mail.
3. The University seal is already given. It can be found in the "recommendation by Head of the University" page where the Registrar has signed and the seal is stamped below to it.

Kindly let me know if anything needs to be done.

Waiting for your quick and positive response.

Thanks and Regards,

Harjeet
