3) Name of the Activity/Program: **Blood Donation Camp**

Organizing Unit: **NSS, Tripura University**

Year: **2016**

Number of Students Attended: **74**

**Volunteers of NSS Unit, Tripura University have successfully completed the Blood Donation Camp, held on 8th May, 2016 at MBBSBB (Auditorium), Tripura University.**

Success Rate: 74% of target achieved out of 100 donors. The Volunteers of NSS Unit, Tripura University have arranged the entire programme and all credit goes to them. The Volunteers have taken the responsibilities to make it splendid success. The Volunteers have taken help of NSS national portal, Internet, IEC method, Department visit, oral communication to reach to the all students, teachers and non-teachers of the University and the Registrar, Tripura University sent notification of this programme to the all departments.

The benevolent donors have received the followings:

1. Tiffin (one glass of Glucon-D mixed water, one glass hot milk, one sweets, one boiled egg and one Banana)
2. One PEN as token of love

The highest number of students from the Commerce Department donated blood and the teachers mainly Dr. Chinmoy Roy helped a lot to motivate the students.

This is my humble submission to you that a proposal came from the Volunteers of NSS Unit, Tripura University to acknowledge the contribution of blood donors of the first three departments by awarding with a Memento in the Annual Cultural Programme of Tripura University.

Following the Prime Minister's clarion call on 2nd October 2014 for each individual to devote at least 100 hours to Swachhata through the year, the Ministry of Drinking Water and Sanitation in association with the Ministry of Human Resource Development and Ministry of Youth Affairs and Sports has launched the 'Swachh Bharat Summer Internship – 100 Hours of Swachhata'. The program aims to engage youth across the country, develop their skill and orientation for sanitation-related work and make Swachh Bharat Mission- a Jan Andolan.

Components of the internship The 100-hour experiential internship program would require the candidate to visit one or more villages and conduct activities of their choice to contribute to the cause of rural sanitation in India.

The Volunteers of NSS Unit, Tripura University successfully completed the following activities and also given some innovative ideas for recycling the waste materials, bamboo made dustbin and commercial use of bio-gas etc.

1. 321-volunteers applied through an online application form made available on the website <https://sbsi.mygov.in>.
2. Completed 100 hours in the period of 1st May to 31st July 2018

3. Volunteers worked in home state covering all adopted villages of Tripura University and also other villages of entire Tripura. Volunteer has also taken challenge to implement this programme outside the state like Bihar.

4. Candidates participated individually and in teams. Team size was 10 and total 31 teams registered their name in the SBSI portal where 4-Individuals registered in the same.

5. The work of the candidates were monitored by the Coordinator, NSS Unit, Tripura University.

Activities Undertaken by the Volunteers of NSS Unit, Tripura University

5. Training: An orientation video for youth towards sanitation activities in the rural context has been made known in primary and secondary schools.

6. All IEC material of Swachh Bharat Mission (Gramin) is distributed among the villagers.

Information-Education-Communication activities: IEC activities are oriented towards increasing the awareness of people about sanitation-related issues and triggering a change in sanitation-related behaviour. IEC activities undertaken by the interns targeted behaviour around open defecation, hygiene practices; solid/liquid waste management among other behaviours. Under this, the interns did:

- Organized awareness campaigns around better sanitation practices like using a toilet, handwashing, health and hygiene awareness, etc.
- Performed Nukkad Nataks /street plays, song and dance performances on Swachhata Organized Swachhata Melas;
- Conducted Door-to-door meetings to drive behaviour change with respect to sanitation behaviours
- Conducted Village or School-level Rallies to generate awareness about sanitation
- Made wall paintings in public places (more specially panchayat offices) on the theme of Swachhata Organised Swachhata-related movie screenings in public places.

7. Solid Waste Management related activities: SWM activities target generation of awareness around waste collection, segregation, disposal and waste-free environment:

- Organized Waste collection drives in households and common or shared spaces
- Volunteered for segregation of solid waste into non-biodegradable and biodegradable waste
- Mobilized community and panchayat to build compost pits, where organic matter decomposes to form manure
- Helped Panchayats draw up plans for the installation of biogas plants and extracted an idea for commercializing it.

- Organized cleaning of streets, drains and back alleys through awareness drives
- Support in toilet construction

8. Helping in pit digging for toilet construction

9. Reporting: An Internship Report needs to be submitted by the candidate on the online portal in the prescribed format through the Nodal Officer (Educational Institutes: appointed by the institutes; NYKS: District Youth Coordinator) within 15 days of completion of fieldwork. The Volunteers did this successfully before last date of submission.

Rewards and Recognition: All participants will be given a Swachh Bharat Internship Certificate on completion of their internship and its approval by the parent institution (Nodal officer). The Best interns will be recognized at college, university, state and national levels with Cash Awards .

## **Innovation Under Swachha Bharat Summer Internship-2018:**

### **1. Flower Verse and Pen Stand (Marketable Product)**

The volunteers made the above flower verse and pen stand by using waste materials like plastic straw, plastic etc.

### **2. Bamboo Made Dustbin:**

The NSS Volunteers made dustbin using bamboo taking help of training from Department of Bamboo Cultivation and Resource Utilisation where Dr. Kaushik Majumdar, Guest Faculty, BCRU helped a lot.

BIOGAS typically refers to a mixture of different gases produced by the breakdown of organic wastes in the absence of oxygen. Biogas can be produced from raw materials such as agricultural wastes, manure, municipal wastes, plant material, sewage, green waste or food waste. Biogas are renewable energy resources. BIOGAS is primarily is a mixture of gases like : methane, carbon dioxide and may have a small amount of hydrogen sulphide, moistures and siloxanes. Methane, hydrogen, carbon monoxide can be combusted or oxidized with Oxygen. This energy release allows biogas to be used as a fuel. It can be used for any heating purpose such as cooking. It can also be used in a gas engine to convert the energy in the gas into electricity and heat.
