Welcome to the Central Library Tripura University

The Online Public Access Catalogue (OPAC) of the Central Library provides access to bibliographic records of the library resources both in print and non-print such as books, periodicals, multimedia and electronic resources. The bibliographic record is fully searchable by author, title, subject, publisher, call number and other specific fields. The Library is using KOHA- Integrated Library Management Software for its Library Management.

Note: Entry of bibliographic records of books is in progress. You may contact the circulation desk if you need the help in locating books which are not available in the system.
