The varsity team told the Hon’ble Minister that that though the varsity is the affiliate authority, the examination papers are scrutinized by the College teachers who are deputed by the High Education Department of the state government. On the students’ council election, Dr. Pandey was informed of the ongoing process for conducting the elections as per the Lyngdoh Committee recommendations. The Students’ Council elections would be held soon. The Hon’ble minister expressed his satisfaction while talking to the University officials.
