

TRIPURA UNIVERSITY
ACADEMIC AUDIT REPORT (2022-23)
FACULTY OF ARTS AND COMMERCE

General observations/ suggestions on the Faculty of Arts and Commerce

1. It was observed by the members that the performance of most departments was commendable over the assessment period.
2. The format for the furnishing of requisite information for assessment during Academic Audit may be modified, and separate columns and blanks may be provided for inclusion of information details pertaining to the achievements of faculties; the same be provided in detail and not just mentioned in numerical values.
3. It was suggested that each of the departments may engage in extension activities, consultancy and outreach activities.
4. Each department was advised and encouraged to maintain an official record of alumni, with regular updating of data pertaining to placement and present position of alumni.
5. Placement record be tracked and updated regularly in each department
6. Industry liaison be maintained in each department to live up to the true spirit of NEP 2020.
7. All departments were motivated to maintain a local focus in matters pertaining to syllabus, teaching, research and extension activities, ensuring contribution to society at large.
8. Ensure whether syllabus is commensurate with job-oriented courses and is updated enough to suit the present market requirements.
9. Ensure whether syllabus is commensurate with the syllabi of competitive examinations across the country.
10. Build up robust alumni organizations in all departments and track their placement. Also, members of alumni placed in important positions of office both in administration and academic, be documented. They may also be invited to deliver motivational lectures in their respective departments.
11. Well-stocked departmental /seminar libraries be set up in every department and research scholars drawing grants and scholarships be advised to submit and deposit books to the seminar libraries purchased from contingency grants. A general notification from the administrative office may be made in this regard to initiate the process.
12. Research scholars be directed to deposit 'permanent articles' like books purchased from contingency grants at their respective departments on the completion of their research tenure. A general notification be issued from the administration in this regard.
13. Seminars be delivered by research scholars to update the academia on their work from time to time, on topics of relevance and public interest.
14. Orientation programs be conducted by all departments in every subject for newly admitted students at the commencement of a new academic session, to appraise them on career prospects and employability in their respective disciplines.

DEPARTMENT-WISE REPORT

Department of Psychology

- The department was appreciated for the contribution in terms of providing counseling on mental health of students and youth in general.
- Importance be laid on stress management, and psychology of today's youth.
- Syllabus of PG program be updated frequently.
