

Report on workshop on Financial Planning for Young Investors

Department of Business Management, Tripura University organized a workshop on **“Lessons on Financial Planning for Young Investors”** on **14/03/2018 (Wednesday)** from **2 p.m. onwards** in the Department for the **MBA students**. The program was initiated by Securities and Exchange Board of India (SEBI). SEBI appointed resource person for the program was Dr. Baneswar Kapasi. SEBI also provided study materials involving various aspects of financial investments to the participants of the program. Dr. Kapasi in his two hours audio visual training talked about various issues involving financial planning such as need for financial planning at an early age, various investment avenues in Indian financial market, precautions prior investment, investment portfolio design, nurturing the habit of investment with the students. Some of the photo glimpses of the workshop are given below:

The session was mostly an interactive one amongst the resource person and the enthusiastic participants who were eager to learn various aspects of investing in financial market. The resource person also clarified all doubts raised by the participants. The program concluded with a formal vote of thanks.
