From the Desk of the Vice-Chancellor

The highest sole responsibility of any university is its march towards excellence. Tripura University is a Central University and its motto is Pursuit of Excellence. As always, in the year 2017-2018 also the university has upheld and continued to function with this motto. Some of the achievements of the university are highlighted hereunder.

- ❖ Tripura University was accredited by NAAC in grade “B + ” with CGPA of 2.63 on four point scale. The university was ranked in the band of 151-200 by India ranking 2018 of NIRF.
- ❖ In 2018 Tripura University has been ranked 31st amongst India’s best Government Universities as per the India Today-MDRA University ranking survey (Ref. India Today Magazine, July 2, 2018 issue). The University has also obtained recognition from AICTE, NCTE and similar other apex bodies for running the related courses.
- ❖ Tripura University prioritizes the need for filling vacant regular faculty and non-teaching staff positions. In 2017-18, 7 new faculty members have joined various departments. As many as 5 non-teaching staff members have also joined the University. The process of appointing new faculty members and other required personnel is still on.
- ❖ Tripura University actively pursues collaboration with Industry, PSU and various Sector Skill Councils to promote industry-academia relations and to enhance quality of teaching and research. Memoranda of Understanding (MoUs) have been signed with the following agencies so far.
 - Space Applications Centre, Indian Space Research Organization, Department of Space, Ahmedabad.
 - All India Rubber Industries Association Education Trust (AIRIA – ET), 601, Pramukh Plaza, B wing, 485, Cardinal Gracious Road, Chakala, Andheri (East), Mumbai.
 - Air India Limited, Airlines House, 113, Gurudwara Rakabganj Road., New Delhi.
 - Central Public Works Department, Ministry of Urban Development, Govt. of India, Nirman Bhawan, New Delhi.
 - M/s. National Accurate Brilliant Security, Netaji Subhash Road, Near Star Hotel, Agartala.
 - M/s. R.S. Cooling & Appliances, Lodh Bhawan, Ramnagar No. 6, Agartala.
 - Prime Focus Academy of Media and Entertainment Studies Pvt. Ltd., Mainframe IT Park, Building-H, 2nd floor, Royal Palms, Goregaon East, Mumbai-400065.
- ❖ Tripura University has established online admission process for all of the academic programmes offered in its main Campus. Prospective candidates for all the Certificates, PG Diploma and Degree programmes as well as Integrated Master Degree programmes have been admitted through this online application process. Centres for conducting written admission tests have also been opened in Kolkata, Bardhaman, Siliguri, Shillong, Silchar, Tezpur, Guwahati and Bhubaneswar.

This has helped in enhancing the flow of students from outside the State and maintaining cultural diversity needed in a Central University. This online admission process has been implemented also for the Distance Education, MA programmes and for PhD programmes in all departments.

- ❖ Tripura University has sought for students from Bangladesh. A few students from Bangladesh have applied through the online application portal and have been admitted to various programmes of Tripura University during the year. PhD students from Bangladesh have also enrolled in Tripura University this year.
- ❖ Three patent applications have been filed during the year based on the research performed in Tripura University, namely :-
 1. Non-invasive diagnostic kit for detection of urinary tract infection (uti) (Department of Molecular Biology & Bioinformatics, No. 201831007555, Applied For)
 2. Bio-fertilizer production from bacterial consortium (Applied) complete (Department of Microbiology, Provisional filing dated 27th January 2017, complete filing on 25th January 2018, No. 201731003023).
 3. Microbial Consortium for nitrate and phosphate sequestration for environmental sustenance (Received) (Department of Microbiology, Filing Dated 14th October 2014 and awarded on 24th Oct 2017, No. 1005753 [Bangladesh]).
- ❖ During this academic year the Faculty Development Centre, Tripura University under the scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT), has successfully conducted two 30 days Induction Training programmes where a total 68 faculties from all over the country took part as participant. A total of 96 resource persons from various parts of the country delivered more than 300 lecture hours in these programmes making these programmes a grand success.
- ❖ The Equal Opportunity Cell has organized remedial classes and coaching classes for competitive examinations. The Women's Study Centre has started a PG Diploma course in Women's Studies in the Academic session 2016-17 and it is continuing in 2017-2018 too. Another one-year PG Diploma course on Finance and Taxation introduced in the Department of Commerce in 2016-17 academic year is running successfully.
- ❖ A psychological counselling centre has been launched for helping students and scholars of Tripura University. Internal Complaint Committee has been strengthened for properly dealing with the cases of sexual harassments.
- ❖ Central Instrumentation Centre is being established in Tripura University. Several scientific instruments including a Scanning Electron Microscope have been procured. The automation of Central Library using Koha software is in its final stage.
- ❖ The University has shifted to the energy saving mode of campus lighting with LED road lights in the campus as well as solar lighting system. New roads have been constructed all around the campus.
- ❖ Tripura University has procured an Ambulance which is an air-conditioned vehicle provided with oxygen cylinder, oxygen mask, fluid stand for providing saline and blood, pressure

monitoring machine, stretcher for patients, seating arrangement for paramedic/Doctor and at least two people accompanying the patient.

- ❖ Swayam courses have been made available in the Tripura University and about 704 students have enrolled during the academic year 2017-18.
- ❖ The 11th convocation of the University was held on 23rd May 2018, where Hon'ble, Vice President Shri M. Venkaiah Naidu was the Chief Guest, and Hon'ble former Governor of Tripura & Chief Rector of Tripura University Shri Tathagata Roy graced the occasion.

In the next page, a few bar graphs that depict (a) the basic data on the number of books and journal papers published by Tripura University authors, (b) the number of various symposia, conferences and workshops organized in the campus of Tripura University, and (c) the number of sponsored projects running in Tripura University, are provided. The graphs clearly indicate the healthy growth of the academic output and outreach activities in this University.

The list given above provides a glimpse of the efforts that the University has undertaken in 2017-18. The University is looking forward with great enthusiasm for further developments in Skill Programmes, Industrial and International Collaborations, Digitization and Modernization, Innovation and IPR, Upgrading Adopted Villages, and on improving its national and international rankings. It is committed to the goals of automation, faculty and staff recruitment, infrastructure development and social outreach in the coming years.

In the following pages the details of the various scholarly activities undertaken by each of the Departments and Centres are stated with significant data presented in tabular forms. Additionally, the details of work done by the Central Library, the Sports Board and various other bodies are also presented. Main financial details have also been presented in this treatise. An album of various activities/seminars/functions organised by Tripura University during the year 2017-18 is attached.

It is our hope that this compendium, will give a fair idea on the diversity, vibrancy and quality of the multitude of activities undertaken by Tripura University in the year under reference. This document and many more tables and detailed data on all the Departments and Centres are provided in an attached compact disc. The compact disc also contains the Hindi versions of documents mentioned along with the English and Hindi versions of the Annual Financial Report of Tripura University.

I thank the Committee on Annual Report and its team for producing the English and the Hindi versions of the Annual Report 2017-18 in a timely manner. The Tripura University has thus marked a process of continuous development towards Pursuit of Excellence during the year under the report period.

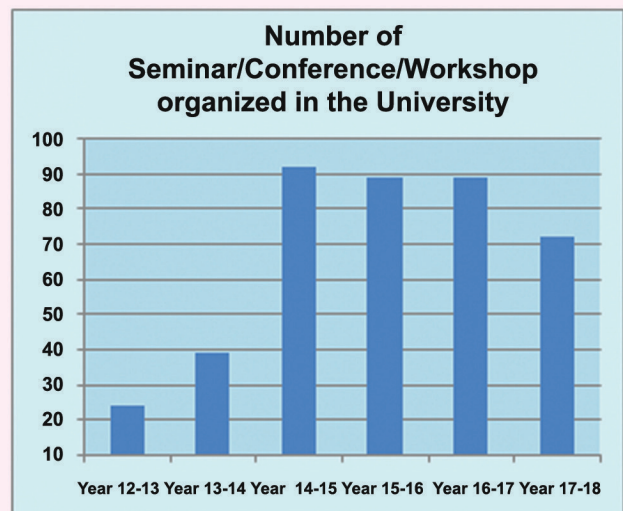

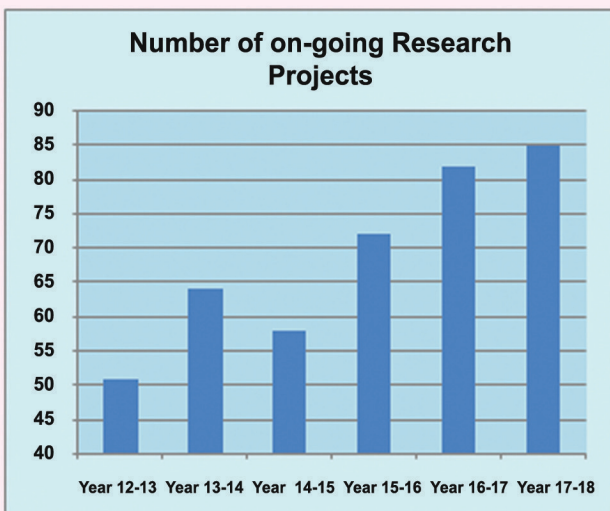

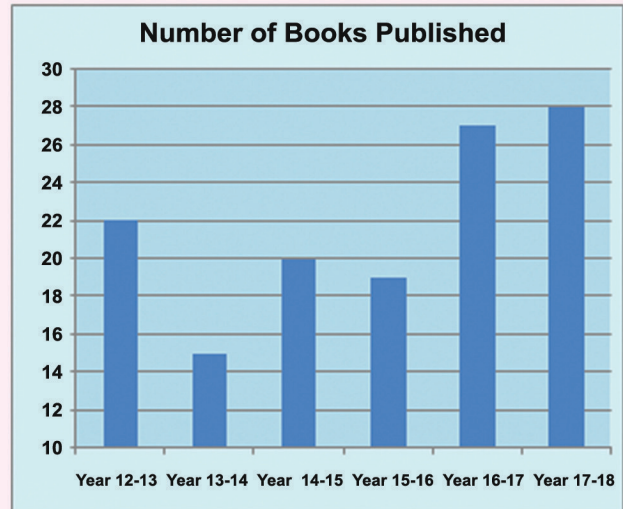

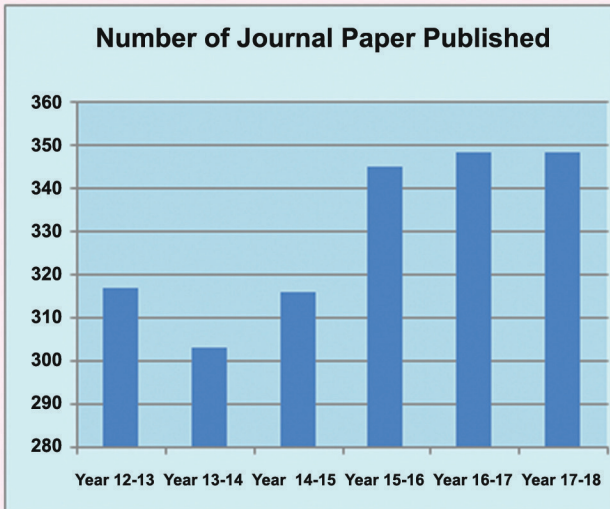

Best wishes to all

About Tripura University

Tripura University took off as a State University on 2 October 1987 and was converted into a Central University on 2 July 2007 under an Act of Parliament to establish a teaching and affiliating university in the state of Tripura and to provide for matters connected therewith or incidental thereto. The kings of Tripura, since 1947 onwards, guided by a zeal for education and inspired by a vision to excel, established many colleges in this green hilly state affiliating them to Calcutta University. But the geographic distance from the University of Calcutta being a formidable deterrent, it was virtually impossible on the part of a large number of poor students of Tripura to continue further studies after graduation since postgraduate education within Tripura was not yet initiated. The political history of Tripura since 1960s, replete with student movements, had consistently harped on the demand for expansion of opportunities for higher education and setting up of Tripura's own university. As a consequence, the Calcutta University authority agreed to offer post-graduate classes in History, Mathematics, and Economics at the MBB College campus and the University Grants Commission (UGC) formally recognized the Calcutta University Post Graduate Centre (CUPGC) in 1976. But the dream for a full-fledged University within the state was yet to be fulfilled and student movements gradually gathered momentum for a separate university for the higher education of its students. For a decade, the CUPGC with all its limitations functioned as the highest centre of learning in the state, operating from various scattered old government buildings at College Tilla, Agartala. In spite of severe financial constraints, land for a new campus was selected by the state government for the CUPGC in a green 75-acre, semi-urban setting on the National Highway at Suryamaninagar, about 9 kms south of the capital city Agartala. With the aim of setting up a full-fledged University at that location in near future, the foundation-stone was laid at Suryamaninagar campus on 18th December, 1985 by Dasaratha Deb, the legendary leader of the historic Janasiksha (People's Education) movement and the-then Deputy Chief Minister and Education Minister of Tripura. Taking into consideration the long-cherished demands of the student-community and the growing aspirations of the people at large and also acknowledging the present and future needs of education in the state, the State Government took the initiative to pass the Tripura University Act in the Assembly in 1987 and finally the first University in the state came into being. This was indeed a dream come true. After its up-gradation to a Central University, the overall development of Tripura University has been conspicuous by all round efforts undertaken to strengthen the infrastructural facilities and academic acumen.

Tripura University is accredited by NAAC in Grade B with CGPA of 2.63 on four-point scale. The University has also obtained recognition from AICTE, NCTE and similar other apex bodies for offering academic courses.

At present the number of colleges affiliated to the university is 49, consisting 25 general degree colleges, and 24 professional colleges.

The University offered 50 different courses under its Science, Arts and Commerce Faculty, during the academic year 2017-18 out of which 40 courses of Post Graduate Level (Botany, Forestry & Biodiversity, Human Physiology, Microbiology, Molecular Biology & Bioinformatics, Pharmacy, Zoology, Chemistry, Geography and Disaster Management, Mathematics, Physics, Statistics Computer Science & Engineering, Electrical Engineering, Information Technology, Electronics & Communication Engineering, Material Science & Engineering, Chemical and Polymer Engineering, Library and Information Science, History, Journalism and Mass Communication, Philosophy, Political Science, Psychology, Sociology, Bengali, English, Fine Arts, Hindi, Kokborok, Music, Sanskrit, Linguistics & Tribal Languages, Business Management, Commerce, Economics, Law, Rural Studies, Education and Physical Education), 2 courses of Degree Level (B. Voc. in Film &

Annual Report 2017-18

Video Production and BVoc in Rubber Technology), 7 Diploma Level Courses (Bamboo Cultivation & Resource Utilization, Tribal Language, Women's Studies, Finance & Taxation, Tribal & Ethnic Studies, PGDT (H) and Library & Information Science) and a five years Integrated Master's Degree were offered. In addition to these, PhD programs were also offered in 39 subjects.

Location, Climate and Connectivity

Located in the green picturesque state of Tripura, whose undulating topography comprises of low lying hills shrouded with dense vegetation cover and interspersed with meandering rivers, rivulets and streams, the sprawling green campus of the university is an eye-catcher. Situated in West Tripura District about 9 km away from the City of Agartala and 24 km from Agartala Airport (Singerbill Airport), Tripura University is easily accessible by road.

The state is well connected with Guwahati, Silchar and Shillong by road. A daily bus service from Kolkata to Agartala through Bangladesh has also taken off, for which a transit visa is needed. Agartala is also directly connected to Guwahati, Kolkata and other North-eastern cities and with other metros via Guwahati or Kolkata by air route. The earlier meter gauge railway line connecting Agartala to Lumding and Guwahati has been upgraded to broad gauge. Of late Rajdhani Express has also been introduced connecting Tripura to New Delhi and the rest of India. The average temperature of Agartala in summer is about 30⁰C and in winter, about 15⁰C.

Facilities and Services

University Library:

The Calcutta University Post Graduate Center (CUPGC), Agartala, Tripura was converted into the Tripura University (State) on 2nd October, 1987 and was awarded the status of Central University on 2nd July, 2007. The main library is situated at the center of the campus and is easily accessible. The library is constructed in three floors with the total space size 5415 sq.mts. At present, it is utilizing 2715 sq.mts for its regular operations. Total seating capacity of the Library is 250. Hostel Accommodation:

Fully computerized internet enabled hostel facilities are provided generally to students from outside the state/country, remote parts of the region and economically backward classes. Presently, there are two hostels for women and gents with 90 and 80 seat capacities respectively. Two more hostel buildings with about 50 seats capacity are available for research scholars on the campus. Common Rooms with various recreational facilities and reading rooms equipped with reading materials and magazines, news papers, T.V. etc. are also available in both the hostels. The hostel mess serves food to the boarders according to a prefixed menu determined by the boarders themselves.

Health Services:

Tripura University has its own Health Centre with two full time doctors (Male and Female), two nurses, a medical laboratory attendant and a female attendant to serve students, teachers, employees, officers, guests and their family members. A separate building has been allotted for this purpose where some beds with saline and oxygen facilities are available. Further, the University possesses an Ambulance with basic facilities in case of emergency to transfer patients to nearby hospitals.

Bank and Post Offices:

The university caters adequately to the requirements of the students, scholars and faculty with in-campus SBI branch and Post office during university hours. There are also two ATMs in the university campus.

Games & Sports:

The Sports Board of Tripura University came into existence in 2007. Every year various games & sports are conducted by Tripura University Sports Board. Every Year Annual Sports Day is organized for which various outdoor sports as well as football, volleyball, Kabaddi and cricket competitions etc and Indoor games are also organized by the board, such as Table Tennis, Carom and chess etc. Every year the sports board organizes Inter College Tournaments in various events as well as football, cricket, volleyball, Judo, Table Tennis and athletics among the different affiliated colleges under Tripura University and participates in East Zone/ All India Inter University competitions with university contingent.

Placement Cell:

The Tripura University Placement Cell was established on 27.10.2005. The Placement Cell of Tripura University plays a vital role and is gradually becoming a key cell of the Tripura University. The competition for employment is increasing every day and the task of placement is becoming a challenging one. The Placement Cell ensures and takes care to provide the best arrangements and hospitality for the visiting company officials and facilitates campus recruitment drives. It is relevant to mention here that the alumni of Tripura University occupy top positions in business, industry, R&D and academics in India and abroad and serve as the brand ambassadors of the alma mater.

The Placement Cell performs the following activities round the year:

1. Organizing various development activities that help in personality grooming of the students and provides them platforms to express them selves and enhance their soft skills.
2. Arranging winter/summer training for students.
3. Offering coaching classes for entry into services (for TPSC, Banks, Railway and other competitive examinations) for SC/ST/PH/OBC (Non-Creamy Layer) and minority students in collaboration with equal opportunity cell, TU.

Scholarships and Financial Assistance:

Various scholarships and financial assistances are provided to the students. It is based on the provision under rules and regulation of the particular scheme. The different scholarships are as follows:

Merit-cum-means Scholarship, Post Matric Scholarship to Lower Income Group, Post Matric scholarship for Girls Student, Maulana Azad National Fellowship for Minority Students, Minority (State Wakf Board), Beedi Workers Scholarship, Rajiv Gandhi National Fellowship for Students with Disabilities, Nihar Kana and Dr. Surendranath Scholarship, ONGC Scholarship, Central Government Teaching Employees' Children's Educational Scholarship, Post Matric scholarship for SC, On-line DBT scheme, Post Matric scholarship for ST, On-line DBT scheme, Post Matric scholarship for OBC on line DBT scheme, Merit-cum-means scholarship, Post Matric scholarship for Girls Stipend, North East Council Scholarship, Post Graduate Indira Gandhi Scholarship for Single Girl Child, Post Graduate Merit Scholarship for University Rank Holder, Post Graduate Scholarship for Professional Courses for SC/ ST candidates, Junior Research Fellowship for Engineering and Technology, Non-Net Scholarship for PhD Research scholars.

Canteen:

Tripura University has a central canteen that offers various food items at a moderate rate, ranging from heavy lunch to light snacks and beverages. The Canteen is located at the ground floor of the sports building situated at the middle of the University campus and has a seating capacity of around 100 students at a time. The Canteen also has a separate seating arrangement for the academic staff with an approximate capacity of 30. The University canteen is open from 8 am to 10 pm on all days except University holidays. There are also canteens in Academic (building) XI and in the main administrative building.

NET Coaching Centre:

With its launch in 2006, this Centre targeted to increase social capital in higher education from among the disadvantaged groups such as SC, ST, OBC (Non-Creamy) and the Minority. In Tripura the percentage of NET qualified candidates was very poor from these groups. Having had counselling/coaching from this Centre a considerable number of candidates have been successful in clearing NET in various subjects and many of them are now teaching in different colleges and universities. The Centre has implemented UGC prescribed syllabus on various subjects from both science and humanities. As per the UGC notifications courses were revised from time to time. In every session we offer over 3000+ Practice Questions with Solutions by Highly Experienced and NET Qualified Faculties. Result oriented study material is also provided covering PAPER I, II & III respectively.

NSS UNIT:

NSS assists society by generating awareness and executing service approach. NSS Volunteers are stimulated to make changes through extension that result in more efficient production and marketing, conservation of natural resources, improved livelihood security, health, and more satisfying family and community life. Extension work is at the lowest in hierarchy, but extremely broad based in usage. It is also extremely location specific and usually susceptible to outside criticism. Extension work is to help people understand themselves.

The overall objective of NSS is to offer an extension of the academic activity of students and orient the student youth to community service. The educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village / slum community

and in certain cases are indifferent towards their needs and problems. Therefore, it is necessary to imbibe the social conscience of the students, and to provide them an opportunity to work with the people in the villages and slums.

Equal Opportunity Cell (EOC):

Tripura University established an Equal Opportunity Cell on 3rd March 2010 to address issues related to SC/ST, the OBC (non-creamy layer), minorities and the physically challenged on a regular basis. The broad objective of the Cell is to provide the students belonging to any of the categories sufficient support so that they can successfully lead their lives. Specifically, the Cell provides support through various coaching schemes to enhance employability, language skills, social capability skills and various other skills to empower students from the disadvantaged groups. Further, the Cell also takes ample interest in effective implementation of policy and programs for the disadvantaged groups. The Equal Opportunity Cell has introduced many programs keeping in mind the objective of helping out the students from disadvantaged groups such as English Language Proficiency Class, Coaching Classes for Entry into Services, free Computer Course and Soft Skills Course for a period of three months in collaboration with NIELIT, Tripura. The Cell also takes the opportunity to guide students in availing of various scholarships.

Reservation Cell:

The Cell is responsible for ensuring effective implementation of the reservation in admission of the students and the recruitment of teaching and non-teaching staff at various levels, allotment of staff quarters, hostels etc. The main objective of providing reservation for Scheduled Castes, Scheduled Tribes and Other Backward Communities (Non-Creamy layer category) in Government services and admission of students is to improve their social and educational status so that they can take their rightful place in the mainstream of the society.

**University
Departments
and
Centres**

Tripura University has 40 departments. These can be grouped as follows: Departments of Biological Sciences, Departments of Natural Sciences, Departments of Engineering and Technology, Departments of Social Sciences, Departments of Languages and Creative Arts, Departments of Economics, Management and Law, and Departments of Education.

Teaching and research are also carried out in several centres. These are: Bamboo Cultivation and Resource Utilization Centre, Centre for Studies in Social Exclusion and Inclusive Policies, and Women's Studies Centre.

University also runs Under-graduate programs in skill development through (1) B.Voc.in Rubber Technology and (2) B.Voc.in Film and Video Production. These B. Voc. programs were started in 2015-16.

Integrated Master Degree Programme is offered in some subjects like Humanities (Bengali, English, and Hindi), Social Sciences (History, Political Science, Philosophy, and Economics), Mathematics and Statistics as well.

Along with the regular mode of courses, the University also runs Masters, Bachelors and Certificate courses in the open and distance learning mode through Directorate of Distance Education. The Directorate of Distance Education offers MA in Political Science, Education and Bengali, BA programme (Pass course) and a six month Certificate Course in Human Rights.

The University has NET Coaching Centre and National Service Scheme (NSS). The NET coaching cell operates under Equal Opportunity Cell.

The details of teaching, research and various achievements of all these academic units are given in next pages. A compact disk (CD) is attached along with the printed Annual Report 2017-18 with many more details about these Departments.

Departments of Biological Sciences

Name of Department	Head of the Department	Year of Establishment	Course Offered	Intake in Masters
Botany	Prof. Ajay Krishna Saha	2007	MSc and PhD	MSc-26
Forestry & Biodiversity	Dr Sabyasachi Dasgupta	2011	MSc and PhD	MSc-20
Human Physiology	Dr. Debasish Maiti	2007	MSc and PhD	MSc-26
Microbiology	Dr. Shaon Ray Chaudhuri	2011	MSc and PhD	MSc-25
Molecular Biology & Bio Informatics	Dr. Surajit Bhattacharjee, Head (i/c)	2011	MSc and PhD	MSc-18
Pharmacy	Prof. Sukanta Banik (Dean), Rajat Ghosh, Coordinator.	2011	Master of Pharmacy in Pharmaceutical Chemistry and PhD	M.Pharma-10
Zoology	Prof. B.K. Agarwala	2007	MSc and PhD	MSc-26

The Department of Botany received both SAP from UGC and FIST grant from DST. Thus they have well-equipped laboratories. There is research collaboration between this Department and IISER, Pune. The young Department of Forestry and Biodiversity has so far graduated 57 MSc students, most of them are absorbed in the local academic and research institutions. The DBT sponsored State Biotech Hub runs under the aegis of the Department of Human Physiology. This hub was formally inaugurated by Honourable Dr. Harsh Bardhan, the Minister of Science and Technology and Earth Sciences, in September 2015.

The Department of Microbiology has increased its activities manifold in 2015. Two patent applications have been filed from this Department. Several collaborations with both academia and industrial research centres have been started. With the help of the faculties of the Department of Microbiology, a MoU was signed between Tripura University and a private industry (Biostadt India Ltd., Mumbai) in May 2015 for the first time.

Bioinformatics Centre funded by DBT, New Delhi was established in 2008 in Tripura University under the Supervision of Professor S. Banik, the then Head, Department of Zoology. At some period the Bioinformatics Centre was handed over to Dr S. Basak, Coordinator of the Centre & Head-in-Charge, Department of Molecular Biology & Bioinformatics. One patent is being filed by the Department of Molecular Biology & Bioinformatics recently.

The faculty members of the Department of Pharmacy are active in the Innovation Club that was inaugurated by Honourable President of India in 2013 during his visit to Tripura University. Dr. K. Manna of the Department of Pharmacy attended the Innovation Workshop organized in the Rashtrapati Bhavan, New Delhi frequently on behalf of the Innovation Club.

The Department of Zoology has achieved several milestones in research and developments in different areas of Zoology such as freshwater Zooplankton, Insects (butterfly), earthworms etc. The researchers of the department carried out *Ex-situ* experiments on successful Captive Breeding technology with some particular Cat fish species like *Ompok bimaculatus* and *Ompok pabo* as well. Artificial fertilization technology with these two particular cat fish species are being done which is first of its kind in North-East India in general and Tripura in particular. In recent period the department has also achieved successful result on *Ex-situ* experimental studies with *Chitala chitala*

which is also first of its kind in North-East India in general and Tripura in particular. The department has also achieved studies on DNA sequence of *Ompok pabo* for the first time. Apart from these studies works are also being made with some mammalian species. Spectroscopic analysis of chorionic proteins of egg shell of two grasshopper species was reported. The faculties also developed a Standardization of vermi-composting technology in the conditions of North-East.

Faculty members of the departments in Biological Sciences were invited to deliver 23 talks/ lectures in various seminars/workshops/colloquiums in 2017-18. They have also filed for 3 Indian patents as listed below:

Name of the Department	Name	Title of Patent Applied for/ Received	Patent Filing No.	Year (2016-17)	Licensed or Not
Microbiology	Shaon Ray Chaudhuri	Bio-fertilizer production from bacterial consortium (Applied) complete	201731003023	Provisional filing dated 27 th January 2017 Complete filing on 25 th January 2018	NA
Microbiology	Shaon Ray Chaudhuri, Indranil Mukherjee, Ashoke Ranjan Thakur	Microbial Consortium for nitrate and phosphate sequestration for environmental sustenance. (Received)	1005753 (Bangladesh)	Filing Dated 14 th October 2014 and awarded on 24 th Oct 2017	NA
Molecular Biology & Bioinformatics	Dr. Surajit Bhattacharjee	Non-invasive diagnostic kit for detection of urinary tract infection (uti)	201831007555	2018	Applied For

The total number of ongoing projects in these departments is 34. Also, they have received 17 crores 65 lakhs (approximately) in sponsored projects. The major projects of these departments are as follows:

Department	Principal Investigator	Co-Investigator	Funding Agency	Title of the project	Total Grant (Rs. in Lakhs)	Grant received during the year (Rs. in Lakhs)	Tenure (In years and months)
Botany	Prof. S. Sinha	Prof. R.K. Sinha	DBT-Twining, Govt. of India	Understanding dioecy by exploring Floral Organ Identity genes (OIGs) in <i>Coccinia grandis</i> -a new model for study	73.20	9.82	2014-2017

A total of 35 research scholars have registered/submitted/been awarded PhD degree in the academic year 2017-2018. The faculty members of Biological Sciences departments received several awards in 2017-2018. These are listed below:

Annual Report 2017-18

Department	Name of Teacher	Name of Awards/Medals/Honours	Date of Awards/Medals/Honours	Awarding Agency/Institution	Remarks
Botany	Prof. R. K. Sinha	Bharat Vikas Award	19 th November, 2017	ISR, Bhubaneshwar	-
	Prof. R. K. Sinha	Dr. Sarvepalli Radhakrishnan Lifetime Achievement National Award	30 th May, 2018	IRDP Group, Chennai	-
Forestry & Biodiversity	Dr Sourabh Deb	Green Guru Award	November, 2017	Balipara Foundation, Assam	-
Pharmacy	Dr. Pratap Chandra Acharya	"Young Scientist International Travel Grant Award"	2017	Department of Science and Technology, Government of India	-
	Dr. Pratap Chandra Acharya	Science Academies' Summer Research Fellowship	2017	Jointly awarded by Indian Academy of Sciences, Bengaluru (IASc), Indian National Science Academy, New Delhi (INSA), and The National Academy of Sciences, Allahabad (NASI), India	to pursue research project entitled "Role of Nipl-Prc complex on MepS regulation in Escherichia coli" at Center for Cellular and Molecular Micrology, Hyderabad
	Dr. Pratap Chandra Acharya	"EMBO Short Term fellowship	2018	to pursue a research project entitled "Screening of spirooxindole derivatives as cancer chemotherapeutic agents by targeting G-Quadruplex interaction"	to pursue a research project entitled "Screening of spirooxindole derivatives as cancer chemotherapeutic agents by targeting G-Quadruplex interaction"

Students of the Biological Sciences departments have also received 4 awards:

Department	Name of Students	Name of Awards/Medals/Honours	Date of Awards/Medals/Honours	Awarding Agency/Institution	Remarks
Botany	Dr Kanika Karmakar	Orissa Botanical Society	21 st January, 2018	Department of Botany, Utkal University, Orissa	Best Oral Presentation
	Shri Somnath Kar	Prof. R.C. Srivastava Memorial Award	7 th June, 2018	National Seminar Organized by Department of Botany, Tripura University	1 st Best Oral Presentation
	Shri Gopal Debnath	Prof. R.C. Srivastava Memorial Award	7 th June 2018	National Seminar Organized by Department of Botany, Tripura University	2 nd Best Oral Presentation
	Smt. H. Reshmi Singha	Prof. R.C. Srivastava Memorial Award	7 th June 2018	National Seminar Organized by Department of Botany, Tripura University	3 rd Best Oral Presentation

The Biological Sciences departments have organized 14 workshops/seminars/symposiums in the academic year 2017-2018:

Department	Date	Duration	Title	No. of Participants
Botany	7 th June, 2018	One Day	National Seminar Organized by Department of Botany, Tripura University	100
Forestry & Biodiversity	2nd May, 2018	01 day	Celebration of World Wetland Day, 2018	51
	19 February-13 March, 2018	23 days	IIRS-ISRO Distance Learning Programme on Hyperspectral Remote Sensing and its Applications	12
	8-12 January, 2018	5 days	IIRS-ISRO Distance Learning Programme on "Close Range Photogrammetry and terrestrial Laser Scanning"	16
	24th January, 2018	01 day	Online chemical ecology lecture series on Mining metabolites from nature- from microbes to plants by Professor Uma Shaankar, Conservation genetics, Plant evolutionary biology, University of Agricultural Science, Bangalore.	37
	8th March 2018	01 day	Online chemical ecology lecture series on Biogeography- Studying the distribution of species across space by Dr. Uma Ramakrishnan, TIFR, Bangalore	25
Human Physiology	24.02.2018	One day	Protein separation and DNA separation	65
	17.02.2018	One day	DNA isolation and Protein separation	55
	31.03.2018	One day	DNA isolation, separation and protein separation	52
Microbiology	18th – 21st September 2017	4 days	Advanced Workshop on Microbial Technology for Clean Environment	33
Molecular Biology & Bioinformatics	19.04.2018	1 Hour	Leishmania donovani Serine Protease: A New Perspective of Visceral Leishmaniasis"	40
	19.04.2018	1 Hour	The Regulators of Proteins half-life within cell.	45
	18.04.2018	1 Hour	Guava fruit as Anti-Ulcer agent	35
Zoology	26.04.2018	10 days (26.04.2018-05.05.2018)	Purification, Assay and Kinetics of Enzymes	17

The faculty of the Biological Sciences departments has developed several interactions with industries, NGOs and government organizations:

Faculty members of these departments are active members of 24 professional learned societies and, in the academic year 2017-18, they have published 89 papers in indexed journals of India/Abroad. The details of these papers, the invited talks, etc. which are not mentioned above are given in the compact disc attached to this report.

Departments of Natural Sciences

Name of Department	Head of the Department	Year of Establishment	Course Offered	Intake
Chemistry	Prof. R.N. Dutta Purkayastha	1976	M. Sc., PhD	MSc-30
Geography and Disaster Management	Dr. Nibedita Das (Pan)	2004	MSc, PhD	MSc-26
Mathematics	Prof. B. C. Tripathy	1976	MSc, PhD	MSc-50
Physics	Prof. Debajyoti Bhattacharjee	1990	MSc, PhD	MSc-28
Statistics	Samrat Hore, Head (i/c)	2011	MSc, PhD	MSc-16

A few facts about the various Departments of Natural Sciences are given below:

The Department of Chemistry is actively involved in innovative research activities since its inception, and activity have enhanced to a great extent in the recent past due to the financial assistance from different funding agencies as major research projects to the faculty members. Department of Science and Technology, Government of India has recently (January 2016) sanctioned an amount of Rs. 1.98 crores to the department for purchase of a 400 MHz NMR under the FIST Programme (Level1). The Department of Geography and Disaster Management has also received two major research projects of Rs. 1,17,69,275 from the Ministry of Earth Science and ICSSR in 2015-16.

In the Department of Mathematics pioneering research work is done on the topics of fuzzy sets, rough sets and their practical applications. The faculty members of this Department are the major force behind the Tripura Mathematical Society, an organization that is very active in promoting studies in mathematical subjects throughout the State of Tripura.

In the Department of Physics, the main thrusts areas of research are in atmospheric physics, thin films, nanoscience, and condensed matter physics. They have collaborations with SAMMEER and ISRO for their projects. At present the department is running research projects of Rs 718.05 lakhs including financial support from FIST program of DST, Govt. of India. Average impact factor of research publications published by departmental faculty member is 2.3.

The young Department of Statistics has a strong relation with the Indian Statistical Institute, Kolkata.

A total of 35 research scholars have been registered/submitted/been awarded PhD degree in the academic year 2017-18.

Annual Report 2017-18

They have also organized 8 workshops/seminars/symposia/refresher courses in the academic year 2017-18:

Department	Date	Duration	Title	No. of Participants
Chemistry	15/9/17	2 hrs	Special lecture by Prof. SamareshBhattacharjee, Jadavpur University. . Title:-Formation of Metal-Carbon Bond:Strategies, Observations, and Catalytic Applications	100
	16/04/18	2 hrs	Special lecture by Prof. Udaymaitra, IISC Bangalore. Title Photoluminescent Hydrogels from Bile salts, Properties and Applications	100
Geography and Disaster Management	January 6-7, 2018	2days	Policy Documentation on Problems and Prospects of Tribal Weaving Industry in Tripura	About 150
Mathematics	March 26-31, 2018	One week	Pedagogical Training for Mathematics Teachers (PTMT)	33
	April 03, 2018	One Day	Square Root of 1 by Prof. Kalyan B. Sinha, Former Director, ISI Kolkata	Faculties, Research Scholars and M.Sc Students - 75
Physics	26 – 28 March, 2018	Three days	Science Academy's workshop on Thin Films & Nanomaterials:Principles and Applications	142
	10 Jan., 2018	One day	Meet the Scientist Program	101
	16th March, 2018	One day	One day symposium on the Recent trends in Physical Science (an Outreach Program of S N Bose Center) To mark the birth anniversary of Prof. S N Bose	107

They have also developed collaboration with Industry/ NGOs/ Govt. Organizations in 2017-18:

Most of the faculty members of the Natural Sciences departments are active members of 77 professional learned societies and they have published 77 papers in indexed journals of national/international level during 2017-18. The details of these papers, the invited talks, etc. not mentioned above are given in the compact disc attached to this Report.

Departments of Engineering and Technology

A few facts about these engineering departments are given below:

These departments are trying to combine teaching and research together even though there is a shortage of senior faculty members. The PhD programs in these departments started only in 2013 taking help from the faculty members from the departments of Natural Sciences and several other universities such as Jadavpur University, Calcutta University and Visva Bharati.

The research interests in the Department of Computer Science and Engineering are in wireless networks and image processing, esp. medical image processing. Detection of breast cancer in women through pattern recognition is an important project. Other projects are on effects of fog and aerosols on image transmission, automated face recognition, automated recognition of pain, wireless sensor networks, etc. The PG students of this Department actively participated in creating awareness about the menace of breast cancer amongst the nearby villages adopted by Tripura University. There are collaborative projects with SAMMEER (DeitY), DBT and Agartala Medical College.

The faculty members and students of Electrical Engineering Department work on advanced areas such as renewable energy, power system stability, smart grid, digital control and chaos based optical communication, sensor and system, EMI/ EMC etc.

The Department of Information Technology runs the MCA programme. This department also teaches the computer foundation courses to the students of all other departments of the university under the CBCS curriculum developed in 2015. The faculty and staff members of Information Technology collaborate with Tata Consultancy Services Co. to run online examinations for various programs administered by this company. Various training programs on various aspects of modern computing are also organized by faculty of this department for the benefit of the university community.

The Department of Electronics and Communication Engineering had started its journey from 2016 with three faculty members and fifteen students. Core courses like Fibre Optics Communication and Microwave Communication along with a fine blend of Quantum Physics and its application to Nanoscale Devices enriched the curriculum quite unique and attractive. Research and training labs of the department are coming up in a great way and we hope that it will be a vibrating department in near future.

Annual Report 2017-18

The Department of Material Science and Engineering, one of the new teaching and research departments of Tripura University, started its journey in 2016, included under the XII Five Years Plan sanctioned by UGC. This department offers the four-semester 'M.Tech' programme in 'Material Science and Engineering;' with an intake capacity of 15 students. The unique feature of the department is it is the only institute in North-East region of India, offering the Master of Technology (M. Tech.) course in 'Materials Science and Engineering'. This unique stream in engineering helps students to gain technical knowledge of various kinds of materials like metals, semiconductors, ceramic, polymer, and composite through material characterization and its structure – property relationship. The main focus of the teaching and research in this department is centered on advanced interdisciplinary areas of materials to achieve worldwide attention and appreciation. This unique stream in engineering helps students to gain technical knowledge on various kinds of novel multifunctional materials potential for applications in electronics, energy and bio-medical sectors. The research areas of this department include: functional nanomaterials for electronics, energy harvesting and storage, spintronics nanomaterials, powder processing of ceramic, powder metallurgy, and corrosion engineering, industrial solid waste utilization and management etc. This department has started PhD programme from 2017

The department of Chemical and Polymer Engineering started its journey under the XII Five Years Plan sanctioned by UGC in the year 2016. The department aims to meet the growing need for well-qualified chemical engineers who will meet the expanding industry's requirements in design, manufacturing and marketing segments. This department strives for continuous improvement for creativity and innovation in both postgraduate and doctoral research and education by providing modern teaching rooms and state-of-the-art research laboratory facilities. The department of Chemical and Polymer Engineering will continue to endeavour as a universal base for information sharing that can contribute to global civilization, to educate the future generation of visionaries, prepare students for leadership in diverse careers.

The Department of Library and Information Science is also a new department established in the year 2016 with a view to furnish the libraries in the region with vivid and skilled manpower. The department is imparting one-year truncated Bachelor of Library and Information Science (BLIS) course from 2016 to provide an understanding of basic principles, fundamental laws and postulation of the Library and Information Science, organization and development of universe of subjects. The department has started one-year Master of Library and Information Science (MLIS) course and Ph. D. Programme from academic session 2017-2018 to pursue advance knowledge on the subject, imparting the theory and practice in information storage and retrieval techniques to equipped students with the techniques of managing modern libraries in the digital era. This department also engage students in research & development on thrust areas in library and information science domain. The need for the skilled library professionals having degree in Library and Information Science with technical knowledge is inevitable in any library in this digital era. The courses are prepared, keeping in mind the current scenario of higher education in the field of Library and Information Science in India based on UGC curriculum on LIS with CBCS pattern. The Department is working to produce well equipped manpower by offering strong theoretical foundation as well as hands on practical classes, seminars, presentation, academic tour, and internship program. The students are also trained to organise personal services to clientele in manual service approach as well as ICT enabled services that reach up to their desktops.

Sociology	Prof. Satyadeo Poddar	IMD, MA and PhD	2011	MA-20

A few facts about the six Social Sciences Departments are given below:

The Department of History is one of the oldest departments of this University. The faculty is involved in running the Centre for Gandhian Studies, Manuscript Research Centre, Equal Opportunity Cell and the Anti-Ragging Committee. The Department emphasizes research and documentation of Art and Culture of the untapped territory of this region both in Print as well as Video Production.

Seven years of existence may be a small period in the life of an academic department, nevertheless, the Department of Journalism and Mass Communication, Tripura University has been striving to contribute in the domain of knowledge and fill the existing gap in the skilled-trained manpower for the media profession in the State. With the course curriculum, hands-on – experience and exposure to the profession one can be sure the relevance of our department will definitely add to the growing demand in the sunrise sector of media boom in the national scenario. The Department will emerge as a nodal institution in the NE India to tap the creative potentialities of the students which will have a skilled based employability quotient in the fast shrinking job market scenario of the country.

The Department of Philosophy and Political Science are two of the most popular Departments in Tripura University and each have more than 70 Masters Students per year. In Philosophy Department various aspects of religion and ethics are studied. The faculty members of Political Science department are involved in running the Centre for Social Exclusion and Inclusive Studies, Unnat Bharat Abhiyan, Women's Studies Centre, NET Coaching Centre and the University Film Club.

The young Departments of Psychology and Sociology are active in teaching, outreach activities and research. The faculty member of Sociology department has interests in Gender studies, Popular Culture and Sociology of Religion. An e-learning module on Qualitative Research Methods has been developed in the department of Sociology.

Post Graduate Diploma (PGD) in Bamboo Cultivation and Resource Utilization (BCRU)

The Centre for Bamboo Cultivation and Resource Utilization was established in 2006 with financial support from National Council of Rural Institutes, MHRD, Government of India and Tripura University. The vision of the centre is to motivate and impart knowledge and skill on bamboo curriculum to students of Northeast India. One year PGD course of two semesters at the centre is a unique endeavour of its kind for generation of self-employment to youths of this region and also promote local traditions of bamboo handicrafts. The centre also offers an elective paper of two credits to main streams of Arts, Commerce, and Science students of this University. BCRU centre has also developed a bamboosetum (Bamboo Garden) rich with 31 species of Northeast India to promote research and development in bamboo cultivation and germplasm conservation.

Centre for Study of Social Exclusion and Inclusive Policy

The vision of this teaching-cum-research centre is to pursue the Indian constitutional objective. The centre is working for developing the understanding of the nature, extent, and forms of social exclusion, discriminations at an empirical level and formulating policies for protecting the rights of marginalized section people like ST,SC,OBC and minorities. The centre is a pioneer in introducing PGDTES course in NE region. The activities of the centre are well appreciated by UGC-NAAC, ICSSR-MHRD of the Government of India.

Women's Studies Centre

The Women's Studies Centre, Tripura University is a UGC sponsored scheme, established in the year 2011. In order to fulfil the criteria of phase I, Women's Studies Centre, Tripura University followed the guide lines of Development of Women's Studies in Indian Universities and Colleges, in the eleventh plan of UGC. Following the guidelines of UGC, Women's Studies Centre, and Tripura University have extensively worked on independent research, legal advocacy, documentation, training and extension programme. Through its activities, the centre has tried to generate awareness about the role of women in society and civilization as a whole, by conducting various seminars, workshops and interaction programs, the centre assess women's contribution to the social processes and find out women's own perception of their lives, the broader social reality and their struggles and aspirations. Within its research activities, WSC attempt to assess the roots and structures of inequality in the society and facilitate research in areas relating to women and gender studies with special emphasis on issues related to women in Tripura. Engaged in carrying out these activities, the centre is now empowered to act as full-fledged research centre. We hope the centre will contribute to the visibility of women's issues and open the avenues for a dialogue in

5 Year Integrated Master's Degree Programme (IMD)

Name of the programme	Head/ Coordinator	Year of Establishment	Course Offered	Intake
Integrated Master's Degree	Prof. R.N. Dutta Purkayastha	2012	Integrated Master's Degree	135

In pursuance of the UGC's recommendations on reforms in higher education, Tripura University has introduced the Integrated Master's Degree Programme in the Humanities and Social Science disciplines, Mathematics, and Statistics. The programme solicits scholars fresh out of their Higher Secondary or plus two programme ready to pursue a career in the general degree courses of the university, but with the aim of developing basic research skills in higher education. The course structure and the subject combinations offered through the semester pattern of examinations aim at preparing undergraduate students both for competitive examinations at various levels, as well as for equipping them with all necessary databases enabling a smooth entry into higher academics. Project based group work as well as dissertation writing introduced at multiple levels during the programme aim at orienting young minds towards creative self-expression and developing analytical skills, transcending conventional rote learning. It is expected that our university, through the introduction of this programme, will be able to promote holistic education in the true spirit of the institution's motto – the pursuit of excellence.

Programs on offer	: 1. MA Programme in Political Science 2. MA Programme in Education 3. MA Programme in Bengali 4. BA Programme 5. Certificate Course in Human Rights
Intake capacity	: 1. MA Programme in Political Science - 500 2. MA Programme in Education - 500 3. MA Programme in Bengali - 500 4. BA Programme - (No Limit) 5. Certificate Course in Human Rights - 20

The Directorate of Distance Education (DDE) was established in 1996 to impart higher education through the distance mode with multi-media approach. As non-formal supplementary mode of education, distance education differs from the conventional formal system in its objective to reach the unreached, to include the excluded. Tripura University has consistently been promoting distance education in accordance with the guidelines of the Distance Education Bureau (DEB), UGC, New Delhi to cater to the needs of –

1. Students who discontinue their formal education owing to pecuniary and other circumstances.
2. Students living in geographically remote areas of the state.
3. Students who discontinue their education because of lack of aptitude and motivation but become motivated at a later stage.
4. In-service persons, housewives, etc.

At present, there are more than 6000 students studying under the Directorate of Distance Education (DDE). This figure is by itself indicative of the popularity and reliability of the Directorate of Distance Education, Tripura University, amongst the common masses in general and the students of Tripura in particular.

Research Centres

Centre for Gandhian Studies

Director : Dr. Satyadeo Poddar, Mahatma Gandhi Professor of History
Year of Establishment : 1996

The Centre for Gandhian Studies came into being in Tripura University to popularize the ideas and thought of Mahatma Gandhi among the students' community. It also envisages organizing such programs within and outside the campus, like capacity building, shishu Panchayat, sanitation, communal harmony peace and non-violence, popular lecture etc. which carries forward the vision and mission of Mahatma Gandhi for establishing "India of my dream". It also aims to start diploma, training and research activities in the Centre. By organizing series of debate and drawing competitions, drama and seminar, sanitation and preparing youth for Shanti Sena, the Centre has made a remarkable presence in the societies of Tripura.

Manuscript Resource Centre and Manuscript Conservation Centre (MRC & MCC)

Centre Name: Manuscript Resource Centre & Manuscript Conservation Centre (MRC & MCC), Tripura University.

Funding Agency: National Mission for Manuscripts (NMM), Ministry of Culture, Government of India, New Delhi.

About:

The MRC & MCC came into being in the Department of History, Tripura University on 20th December, 2010 after signing MOU with National Mission for Manuscripts, Ministry of Culture, Government of India, New Delhi. The Centre was inaugurated by Prof. Amiya Kumar Bagchi, the Hon'ble Chancellor, Tripura University on 12.4.2011. The collaboration of NMM and MRC & MCC, TU has advanced efforts in the entire Tripura state protecting old manuscripts. The collaboration also promises a more intense coordination between the scientific community and manuscriptologists, to bring forth better technological tools and techniques to decipher, search, and retrieve the knowledge stored in these rare scriptures. Myriad hidden facts lies in the manuscripts. Besides urban area, a chunk of rare manuscripts are still with people in villages of the State. Though people worship them, they are not aware of their importance and conservation aspects.

To reach out to such people, steps have been initiated by the MRC & MCC here in Tripura through Workshops, Seminars, Awareness Programmes and Public Lectures. At rural workshops and awareness programmes, the instructors from the centre would teach owners of manuscript collection the basics of threading, tying, cleaning, oiling and wrapping of the rare documents in practically possible ways. The MRC & MCC not only find the ways to locate, catalogue, preserve these Manuscripts, but also enhance access and spread awareness about it. The centre is trying to inform the people of entire Tripura state the necessity of preserving these age old manuscripts. If we preserve those valuable manuscripts, it may help us to discover precious historical facts of Tripura. Last but not the least, these efforts of MRC & MCC make help to inculcate a sense of responsibility in society toward our rich past.

Various Facilities

Bioinformatics Centre

With the financial support of DBT, New Delhi, Bioinformatics Centre was established in the year 2008 in Tripura University under the Supervision of Professor S. Banik, Principal Investigator of the project & the then Head, Department of Zoology. As per sanction of DBT, New Delhi the basic objectives of the Centre were to develop knowledge and research on “Establishment of Bioinformatics Infrastructure facility”. Since inception the Centre has been extending services for the promotion of Biology teaching through Bioinformatics (BTBI). A number of Seminar, Workshop etc has been organised by Bioinformatics Centre for the Researchers of the North-East. The Centre also provided training in the field of Bioinformatics to the Students, Research scholars and Teachers as well. During September 2015, Dr. Harsh Bardhan, Honourable Minister of Science & Technology and Earth Sciences, Government of India inaugurated the Centre. Later on, the Bioinformatics Centre was handed over to Dr S. Basak, Department of Molecular Biology & Bioinformatics.

Biotech Hub

DBT sponsored State Biotech Hub was inaugurated by Honourable Dr. Harsh Bardhan, the Minister of Science and Technology and Earth Sciences, in September 2015. This Hub has been extending training program in different areas of Biotechnology. Hub organizes seminar, workshop etc for the students, research scholars and teachers. Modern biological research techniques are taught to trainees with current age of science. DBT, Govt of India awarded the Hub as “ Advanced level state biotech Hub” in 2017.

NET Coaching Centre

With its launch in 2006, this Centre targeted to increase social capital in higher education from among the disadvantaged groups such as SC, ST, OBC (Non-Creamy) and the Minority. In Tripura the percentage of NET qualified candidates was very poor from these groups. Having had counselling/coaching from this Centre a considerable number of candidates have been successful in clearing NET in various subjects and many of them are now teaching in different colleges and universities. The Centre has implemented UGC prescribed syllabus on various subjects from both science and humanities. As per the UGC notifications courses were revised from time to time. In every session we offer over 3000+ Practice Questions with Solutions by Highly Experienced and NET Qualified Faculties. Result oriented study material is also provided covering PAPER I, II & III respectively.

Coordinator : Dr. Gautam Chakma
 Programmes on offer : This Centre provides two 6 monthly counselling programmes for all eligible candidates from SC, ST, OBC (Non-creamy) and Minority sections having UGC prescribed percentage of marks in two sessions a year viz.
 a) January-June and
 b) July- December.

Computer Centre

A Computer Centre was established in 1992 to facilitate a common computational resource centre for the academic programs as well as for maintenance of other computing resources in Tripura University. Over the years the University has grown substantially in terms of departments and academic programs as well as in infrastructure. The Computer Centre has implemented a campus LAN with optical fibre backbone connecting the academic as well as administrative departments spread over the University campus. Internet connectivity is provided throughout the campus. It coordinates computing works like students' registration, result publication work. It also conducts training program on Computer and Information Technology. In the Computer Centre, practical classes are held for some of the Departments. The Computer Centre maintains one Central network Server Room. It maintains five Computer Centres spread over Library building, Academic building-II, Academic building-VI, Academic building-X and Academic building-XI. The Computer Centre introduced Internet facility through wi-fi access points which are installed in almost all Academic Buildings to enable students to access Internet through their personal laptops and mobile phones which are registered in the Computer Centre. Computer Centre provides Internet ID to Students, teachers and staff to access Internet through Wired LAN network. The Computer Centre conducts counseling program for students and teachers on online courses developed by MHRD using SWAYAM and NPTEL.

University Health Centre

The Tripura University has a Health Centre to provide basic out-patient department (OPD) and observation facility and has been established to look after healthcare needs of students, research scholars, staff members, officers, faculty members and their families. The Tripura University Health Centre also attends to patients coming from adjoining areas providing them with medicine and urgent treatment in case of emergency.

The Health Centre is equipped with oxygen (using oxygen concentrator), nebulizer, sterilizer and other basic equipments that are essential for primary healthcare.

The Tripura University Health Centre is open from morning until night for providing healthcare. Two medical officers and two nurses provide their regular services at the Health Centre instilling confidence in the university family.

NSS Unit

NSS assists society by generating awareness and executing service approach. NSS Volunteers are stimulated to make changes through extension that results in more efficient production and marketing, conservation of natural resources, improved livelihood security, health, and more satisfying family and community life. Extension work is at the lowest in hierarchy, but extremely broad-based in usage. It is also extremely location specific and usually susceptible to outside criticism. Extension work is to help people understand themselves.

The overall objective of NSS is to offer an extension of the academic activity of students and orient the student youth to community services. The educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village / slum community and in certain cases are indifferent towards their needs and problems. Therefore, it is necessary to instil the knowledge of social consciences in the students, and to provide them an opportunity to work with the people in villages and slums.

Programme Officer	:	Rajesh Chatterjee (PhD, Rural Development)

The objective of organizing the NYF is to provide a platform to bring the youth of the country together in an attempt to provide them opportunity to showcase their talents in various activities. National Youth Festival (NYF) is the biggest Youth Festival of its kind in the Country. This is the 22nd National Youth Festival.

The Theme of the Festival is 'Sankalp Se Siddhi', to capitalize on the demographic dividend of young India, to capture the vibrancy and fresh perspective of youth and to pledge to accomplish the Goal of New India.

The Festival also provided an arena, by creating a Mini-India, where youth interact in formal and informal settings and exchange their social and cultural uniqueness. This blend of diverse socio-cultural milieu creates 'Ek Bharat Shrestha Bharat'.

The entire programme was designed to enhance the awareness about government initiatives and exhorting the youth to express their perceptions and concepts of how to make their initiatives more effective. Around 5000 volunteers of National Service Scheme and Nehru Yuva Kendra Sangathan from all parts of the country along with local accredited youth participated in the 5-day Festival.

The Festival commenced on the occasion of birth anniversary of Swami Vivekananda, the youth icon of India. Hon'ble Prime Minister, Shri Narendra Damodardas Modi inaugurated the events of the National Youth Festival (NYF) on 12 January 2018.
